Roblox is involved in a lawsuit concerning child safety on the Internet. On September 17, 2021, two brothers filed a lawsuit in the United States District Court, Southern District of California against Roblox Corporation and its founder and CEO David Baszucki. The suit alleged that the defendants failed to protect their nine- and thirteen-year-old sons from inappropriate content on Roblox that resulted in emotional distress. The suit also accuses the company of negligence for failure to monitor potentially harmful content and failure to institute parental monitoring measures. The case is known as "McDonald v. Roblox".

As a result of these allegations, another employee named Kent Duryee filed a lawsuit against Roblox in March 2021. Duryee claims that he was also wrongfully fired by Roblox after attempting to report misconduct at work earlier in 2021 but nothing was ever done about it. The lawsuit, which is currently still ongoing, is asking for \$5 million

in damages and \$1 million in lost wages.

11. There is a rule that allows inappropriate activity on Roblox to get banned. 12. There are too many glitches within the game such as the bug where the game does not close when you come out of a video, and it doesn't force you to close but it just stays on the screen, and even though you are out of the game, your character is still doing stuff such as talking about other people's friends and such. 13. Roblox needs to have a platform for developers where they can submit their games without them being judged or having any problems with inappropriate content getting banned along with their account and everything else that goes on within this platform.

On August 28th, 2021 ROBLOX announced the discontinuation of ROBLOX Custom Physics in favor of Bloxlet. This will eventually be released as an update so that all games made for Classic ROBLOX mode will automatically have the new physics system in place, but there is an unknown future for what will happen to those games when the discontinuation happens.

Although the app is designed for ROBLOX users to chat and connect further outside of the website, it also has additional features similar to those available on ROBLOX: users can play games together through group chat, use images and video to communicate with their friends, and create customized avatars for themselves.
